Live United 365 - Help make a Difference in Our Community

As a business owner, you understand that a strong, healthy community is good for business. United Way of Central Missouri focuses on Education, Health, Income & Safety – building blocks for a good quality of life for families and individuals that use your services and products.

We are asking local businesses to LIVE UNITED 365, by making an annual contribution of \$365. This is just \$1 a day – less than a cup of coffee or a soda.

By stepping up and Living United – you are helping impact your community; helping impact Central Missouri; creating positive outcomes and change. It takes an entire community to make a difference, please start today to LIVE UNITED 365!

\$1 a day provides 135 meals to homebound seniors through the Senior Nutrition Council.

\$1 a day provides 5475 lbs. of food to feed the hungry through The Food Bank for Central & Northeast MO.

\$1 a day provides 122 Comfort Kits to children and adults affected by house fires or other disasters through the American Red Cross.
