Section One

Themes and Promotions

Personalize your campaign by establishing a Disney theme that generates related activities. By involving more employees, your company's campaign becomes their campaign.

Themes build enthusiasm, capture attention, and make your company's campaign more meaningful and educational. Involve others in creative brainstorming. Don't

be afraid to explore different activity options, just remember to HAVE FUN!

Watch for this symbol ⌚...

We understand that your time is valuable, so we've created a *Time Intensity Scale*. The more of the above symbol associated with an activity, the more time you'll need to plan and carry-out the idea (1=least time; 5=most time).

Included in this section are Disney-themed ideas to get people motivated to attend your campaign rally or to remind them to turn in their pledge card.

Section Two

Special Events

Special events are your opportunity to add a little something extra to the campaign. Not only do they raise extra money for United Way, but they can be instrumental in team development and great for company spirit. Use this as an opportunity to further educate your co-workers about United Way and most importantly, have fun! And remember, not every special event has to be elaborate, but please stress that the support of the activities is in addition to the individual campaign pledge.

When choosing a special event, we know that your campaign budget is a major factor in the process. To help guide you through the ideas we've created three levels, Small Budget, Medium Budget, and Large Budget, and we've also included the Time Intensity Scale, once again.

Also, please keep in mind that prizes/incentives should be consistent with IRS guidelines. If you have any questions, please contact your Finance Department.

Incentives

Incentives are a great way to get people involved in your campaign. They can be incentives to attend meetings, return contribution cards or to give. Incentives can be raffles, giveaways, early bird contribution card returns, friendly department competitions . . . and the list goes on! Just remember that incentives should be consistent with IRS guidelines. If you have any questions, please contact your Finance Department.

Also, remember that token incentives are more effective than expensive incentives. Some people may react negatively to the idea of a lavish reward for giving to United Way. It can seem inconsistent with the spirit of United Way, so please use your best judgment. A good place to start is with your vendors. Your vendors may be able to provide gifts or loan merchandise. It is a great way for a company's vendor to show how much their business is appreciated while it spreads awareness of United Way.

Personal Thank You

Executive team walks the floor to give a personal thank you to employees.

Leadership Givers should also be thanked for their personal commitment to United Way and the community; one way to do this is by having the management host an evening reception to recognize their contributions.

And last, but not least, thank you for the time and effort that you've dedicated to organize your company's employee campaign!
