

the magic

United Way of Central Missouri partners with 28 non-profit health and human service agencies that help the hungry, the homeless, the powerless...seniors, babies, adults with disabilities and families torn apart by drug addiction or struggling to put food on the table. We believe that in truly great communities like ours, people take care of each other. We are United in our vision that together we can fight for a better future for all.

We believe if you can dream it, you can do it!

United Way of Central Missouri fights for the health, education, financial stability and basic needs of every person in our community.

We win by living United. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against our community's most daunting social issues.

United Way of Central Missouri

If you can *dream it* you can *do it*

Problems.

The ones most people don't know how to address... The ones nobody talks about at parties... The ones that can't be solved alone.

We go looking for them.

In our cities, outlying counties, and seemingly innocent neighborhoods.

We find **every dollar we can** to address them.

But we are more than the fundraisers. **We are the hand raisers. The game changers.**

The stop talking, start doing, band together and take on the impossible task masters.

United we face food insecurity.

United we stand up for innocent children who don't have a voice in the court system.

United we battle for those affected by mental health issues.

United we confront illiteracy and provide early learning opportunities and mentorship programs.

No matter the obstacles. No matter the odds.

We surround our community's most critical problems. **And we fight.**

We fight for our neighbors, our co-workers, our families and our friends.

We fight for those who need a voice and those whose names we do not know.

United Way fights for the health, education, financial stability and basic needs of every person in our community.

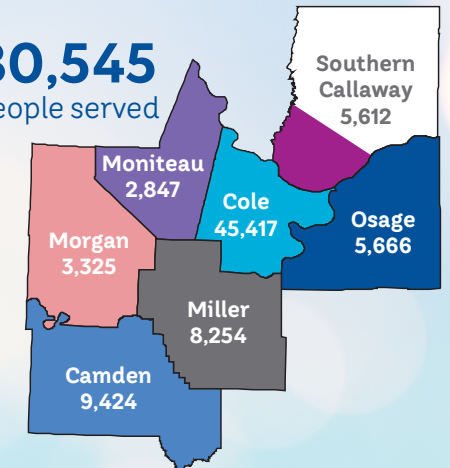

Because change doesn't happen alone. Hope isn't a one-man band.

And there's no such thing as self-taught or self-made.

We have one life. To live better, we must Live United.
