

United Way of Central Missouri partners with 28 non-profit health and human service agencies that help the hungry, the homeless, the powerless... seniors, babies, adults with disabilities and families struggling to put food on the table or a roof over their heads. United Way was born as a result of difficult times, and it's in our DNA to step up and help people in tough and uncertain times. Our priority has always been to protect and support our community, especially now as we recover and rebuild from a tornado, flood and global pandemic. United We Win!

## WE WIN BY LIVING UNITED.

Our volunteers, supporters and advocates are making a lasting difference in the lives of their friends, neighbors and people they may never meet by helping a child learn to read, donating to make sure people have access to quality medical care, speaking out to be a voice for abused and neglected children and so much more.

## SO WHO ARE THE HANDRAISERS, THE MOVE MAKERS?

They're doctors, teachers, administrative professionals and stay-at-home parents. They're the people who understand the kind of real and lasting change that benefits everyone is only possible when people from all walks of life are willing to roll up their sleeves and go where they are most needed and do what needs to be done. They're people like you.
