

United Way of Central Missouri Fund Allocation Panels

United Way Fund Allocation Panels review partner agency requests for funding. The Panel examines Agency operations, programs, and finances and makes recommendations to the Fund Allocation Steering Committee. The Steering Committee will develop and submit final recommendations to the United Way Board of Directors. The Panel will meet face to face with agency leadership.

United Way of Central Missouri Panel Member Responsibilities

Members of a Fund Allocation Panel strive to understand each Agency's funding request – its process, functions, philosophies and issues.

1. Members are expected to review all agency applications assigned to their panel through the on-line Grant System.
2. Members are assigned one agency for an in-depth review and should be prepared to discuss findings with the Panel.
3. Members are encouraged to arrange an on-site visit with their assigned agency.
4. Members are expected to enter comments, questions, and funding recommendations on the Reviewer Scorecard in the on-line Grant System.
5. Members are expected to attend scheduled Panel meetings.
6. Members will prepare funding recommendations.
7. Members are expected to handle information revealed through the United Way with utmost confidentiality.
