

Every day, there are people in our community who struggle with obstacles that are difficult to face and too hard to ignore. Illiteracy. Homelessness. Hunger. Lack of childcare options. Local issues that require local solutions.

But there's hope. There's United Way. We are the problem solvers, the game changers. We surround our community's most critical problems – and we fight.

Through the support of partnering agencies, we raise our hands, hold out our hands each day for those who need us. We feed. We shelter. We educate. We keep safe. But more than that, we nurture, encourage, open doors, move forward, boost up, create smiles, instill hope.

Through the power of loving one another and the central Missouri community, we work to ensure that all members of our community have the opportunity to thrive.

2024 CAMPAIGN DESTINATION

United Way of Central Missouri has supported over 80 non-profit health and human service agencies that help those most vulnerable in our community. The hungry, the homeless, the powerless... seniors, babies, adults with disabilities and families struggling to put food on the table.

But we are more than just fundraisers. At United Way, we bring individuals, businesses, nonprofits and decision makers together to have the tough conversations, mobilize resources and create change.

We are working with community partners to provide transportation to and from healthcare appointments for those with no other option.

We are partnering with Aging Best to help retirees transition from their 'work life' to an enjoyable and fulfilling retirement through the Give 5 Program, which focuses on matching retirees with rewarding volunteer opportunities.

We are collaborating with the local Chamber of Commerce, area businesses and childcare facilities to support early childhood programs and ensure children birth through 5 years of age receive quality early learning opportunities.

We are establishing a plan for when the next disaster strikes our community through the formation of a COAD – Community Organizations Active in Disaster.

We are assembling a powerful group of ladies through Women United, who further the mission of the United Way by focusing on improving childhood literacy, helping young women achieve their dreams and more.

We are improving lives by mobilizing the caring power of our community.
